### Shareholder Agreement

I understand that I am committing to a share of the produce of Willow Wisp Organic Farm and I will pick my share up at the appropriate time. I understand that the mix of weekly produce will evolve with the season and that I am sharing the risk of adverse growing conditions and that the quantity and quality of the produce depends on these conditions. Furthermore, I understand that if growing conditions support a plentiful harvest, I will share in the bounty. I acknowledge that Willow Wisp Organic Farm pledges to do their utmost to provide a diverse mix of high quality vegetables through the whole season.
